IF YOU LIVED HERE...

You'll be stretching out in your 310 square foot lounge/kitchen, leading out to your generous private balcony with views of the communal garden. Inside, the kitchen area is smartly decked out with grey slate effect tiling underfoot, a designer suite of sleek fitted cabinets with dark quartz countertops and a full complement of artfully integrated appliances.

The lounge area has blonde engineered hardwood underfoot, a constellation of recessed spotlights overhead, chrome fittings and of course those floods of natural light. Elsewhere you've a

wealth of fitted storage in the hallway and both bedrooms are solid doubles, with the main bedroom particularly capacious at 240 square feet. It also features an en suite shower room, fully tiled floor to ceiling in large format cream. Finally, your family bathroom is every bit as stylish.

Outside there's still more natural space to relax in, with London's largest nature reserve, the 500 acre Walthamstow Wetlands, just a twenty minute walk away. Free to enter all year round and packed with things to see and do, it's the perfect escape from city life. Truman's Brewery, the latest addition to the attractions of Blackhorse Lane, is just a little further, offering a wide range of craft beers to enjoy in the large taproom or vast beer garden.
