ACCOMMODATION

A beautifully presented and thoughtfully extended four-bedroom family home, offering flexible accommodation over two floors, together with ample driveway parking and a generous, south-easterly facing rear garden. Lined by mature trees to the rear, the garden has a wonderfully peaceful and private feel, while the property is also ideally placed for families, falling within the catchment area for the highly regarded North Leamington School.

The entrance porch opens into the hallway, with a bright and welcoming living room positioned to the front. A bay window brings in plenty of natural light, while the log-burning stove provides a lovely focal point and gives the room a warm, comfortable feel.

The living room flows through into the dining room, creating a sociable space that works particularly well for family life and entertaining. Sliding French doors open directly onto the rear terrace and garden, allowing the space to really come into its own during the warmer months, with an easy flow between indoors and out.

The kitchen is arranged across two areas, making excellent use of the available space. The main cooking area is fitted with granite worktops, a gas hob and integrated dishwasher, while the adjoining section provides further storage and space for an additional fridge/freezer. A separate utility room adds further practicality and keeps the everyday essentials neatly away from the main living areas.

The former garage has been thoughtfully incorporated into the main accommodation, creating valuable additional living space as well as excellent storage. This has allowed for a particularly versatile ground-floor layout, including a dedicated study, downstairs WC and a generous fourth bedroom with its own en-suite shower room. The bedroom is ideal for guests, an older child or extended family and gives the house a flexibility that is often difficult to find.

Upstairs are three well-proportioned double bedrooms, each offering plenty of space for bedroom furniture and useful storage without compromising the sense of space. They are served by the family bathroom, which is fitted with a bath with shower over, providing a practical arrangement for everyday family life.

The rear garden is a real highlight of the property. Its south-easterly aspect allows it to
