Commanding 0.10 Acre Freehold Plot
Popular & Convenient Location

Requires Modernising

Chain Free

Set on a commanding 0.10 acre freehold plot in a popular and convenient location, this chain free home presents a wonderful opportunity to create something truly special. Requiring modernising, it offers the kind of potential that is increasingly hard to find, with generous outside space, practical parking and a layout that can be shaped to suit modern living. For a buyer looking to put her own stamp on a property and add value over time, this is an exciting prospect.

The accommodation is arranged over two floors and is entered on the ground floor, with a welcoming reception room that provides a comfortable heart to the home and plenty of scope for reimagining the interior to reflect your own style. The kitchen and adjoining spaces offer further potential for improvement, whether you are dreaming of a bright and sociable everyday setting or simply want to update at your own pace. A useful downstairs W.C. adds extra practicality for busy day to day life and visiting guests.

Upstairs, the home is noted as offering three bedrooms, giving flexibility for a main bedroom, guest room and perhaps a dressing room, nursery or home office to suit changing needs. The bathroom serves the first floor, and with modernisation this level could be transformed into a calm and comfortable retreat.

Outside, the property continues to impress. The double width driveway makes parking easy, while the garage provides valuable storage or additional versatility. The plot itself is a real highlight, offering a sense of space and a lovely setting for gardening, entertaining or simply enjoying more room around you. It is easy to imagine this becoming a home that feels both private and full of possibility.

The location adds even more appeal, with supermarkets, schools, leisure facilities, healthcare services and rail links all within easy reach, making everyday life convenient and well connected. This is a setting that balances practicality with lifestyle, ideal for anyone wanting to be close to essential amenities while still enjoying a residential feel.
