INTRODUCTION

A detached three-bedroom village home occupying a delightful rural position on the edge of Drimpton with attractive gardens, an integral garage and far-reaching views across the surrounding Dorset countryside. Extending to approximately 1,507 sq. ft. (140 sq. m.), the property offers well-proportioned accommodation throughout. Whilst the property has been carefully maintained it presents an exciting opportunity for a purchaser to modernise or extend (SSTP) and create a superb family home in a sought-after West Dorset setting.

THE PROPERTY

Constructed of attractive stone elevations beneath a tiled roof, the property offers generous and versatile accommodation arranged over two floors.

The principal reception room is a particularly appealing space, centred around a stone fireplace and enjoying an attractive outlook across the garden and surrounding countryside. A separate dining room provides further reception space, whilst the study offers flexibility for home working, hobbies or occasional guest accommodation.

The kitchen is fitted with a range of traditional units and is complemented by a useful utility room with access to the integral garage.

On the first floor are three double bedrooms, all enjoying a pleasant outlook over the surrounding area. The family bathroom serves the first-floor accommodation.

Whilst the property has been carefully maintained, it would now benefit from a programme of updating, offering purchasers the opportunity to personalise the accommodation to suit modern tastes and requirements.

OUTSIDE

The property is approached via a shared driveway leading to private off-road parking and access to the integral garage.

The gardens form a notable feature of the property, being predominantly laid to lawn and interspersed with mature planting and established fruit trees. The rear garden enjoys a wonderful open aspect, overlooking neighbouring countryside and creating a peaceful setting from which to enjoy the changing seasons.

Adjoining the house is a paved seating area, ideal for outdoor dining and entertaining, whilst the generous garden provides ample space for keen gardeners, families and those seeking a rural lifestyle within easy reach of village amenities.

SIUTATION

Drimpton is a small village on the West Dorset border approximately eleven miles from the coast and about five miles from both Beaminster and Crewkerne. The village facilities include superfast broadband, a public house, church, village hall and recreation ground with numerous footpaths giving access to the surrounding countryside. The village of Broadwindsor lies approximately two miles to the south-east and has a community shop, public house, village hall, church, primary school and an interesting 'Craft Centre' which has a variety of local studios and a tearoom/restaurant. Beaminster offers many facilities including a good range of shops, churches, post office, library, two schools, health centres, other professional services and many social and sporting facilities.
