Occupying a popular and convenient position within Winton, this charming three-bedroom detached home has been lovingly cared for and thoughtfully improved by the current owners since 2020. Beautifully presented throughout with fresh, modern décor, the property offers a wonderful balance of character, practicality and future potential, making it an ideal home for growing families, first-time buyers and those seeking a property that is ready to enjoy from day one.

A spacious entrance hall welcomes you into the home and provides access to the principal ground floor accommodation. To the front, the living room is a bright and inviting space centred around an attractive fireplace and bay window, creating a comfortable setting in which to relax and unwind. To the rear, the separate dining room enjoys views over the garden and offers an excellent space for family meals, celebrations and entertaining guests, whilst also benefiting from a generous storage cupboard, which offers potential for conversion into a ground-floor cloakroom.

The kitchen was replaced in approximately 2022 and has been thoughtfully designed to maximise both storage and workspace. Fitted with a range of modern soft-close wall and base units, the kitchen also benefits from an integrated hob, oven and dishwasher, together with ample work surface space for everyday family life. The gas boiler is serviced annually, providing additional peace of mind.

The first floor offers two generous double bedrooms together

with a well-proportioned third bedroom, ideal as a child's room, nursery, study or home office. Serving the accommodation is a contemporary family bathroom, updated in approximately 2023 and finished in a modern style with a bath and shower over, wash hand basin and toilet.

The property has continued to benefit from ongoing care and maintenance, with several windows having been replaced during the current ownership. The loft has also been partially boarded and fitted with lighting, creating useful additional storage space.

Outside, the landscaped rear garden provides a lovely extension of the living accommodation. Designed to be enjoyed throughout the seasons, it features a patio area perfect for outdoor dining and entertaining, together with a lawn offering plenty of space for children to play or keen gardeners to enjoy.

The property also offers future scope for off-road parking. Previous planning permission was granted for a dropped kerb to the front of the property, although this consent has since lapsed. Prospective purchasers may wish to explore a fresh application should private parking be desired.
