## ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

| Energy Efficiency Rating                    |           | Environmental Impact (CO <sub>2</sub> ) Rating                                      |                                                                                     |
|---------------------------------------------|-----------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|                                             | Current   | Potential                                                                           |                                                                                     |
| Very energy efficient - lower running costs |           |                                                                                     | Very environmentally friendly - lower CO <sub>2</sub> emissions                     |
| (92 plus) <b>A</b>                          |           | <b>85</b>                                                                           | (92 plus) <b>A</b>                                                                  |
