180ft GARDEN

A striking four bedroom period semi-detached home, ideally located close to Giggs Hill Green – a popular open green space and cricket ground – and within easy walking distance of the charming village High Street. The ground floor features a welcoming front reception room with impressive high ceilings, a beautiful bay window and an attractive feature fireplace. From the hallway, the property opens into a farmhouse-style kitchen complete with an original built-in dresser, alongside a utility room/WC and an additional reception room. Doors from this space lead directly onto a patio and an exceptional south-facing rear garden extending over 180ft. On the first floor, the principal bedroom benefits from an en-suite shower room, accompanied by two further double bedrooms and a family bathroom. The top floor provides a large fourth double bedroom along with extensive, easily accessible eaves storage.
