To the front, a brick retaining wall and wooden gate open into a very well-kept garden, partly laid to lawn with decorative borders, shrubs and trees. A pathway leads to the front door and side access gate, while various seating areas allow you to enjoy sunlight throughout the day.

The front door opens into a spacious entrance hallway featuring solid wood flooring, decorative coving, a telephone point, central heating radiator and ceiling light point, with a UPVC double glazed window to the left aspect and doors lead to the lounge while stairs rise to the first floor. The lounge is bright and welcoming, centred around an attractive electric fireplace and surround that adds character and charm. A large bay window to the front elevation floods the room with natural light, and further features include decorative coving and ceiling rose, TV aerial point, internet socket, central heating radiator and ceiling light point. A wide opening flows through to the dining room, with solid wood flooring and benefits from UPVC double sliding patio doors opening onto the rear garden. The dining room also offers decorative coving, a ceiling rose, central heating radiator and ceiling light point, with a door leading into the modern fitted kitchen.

Located at the rear, the kitchen overlooks the garden through a large UPVC window with drainer sink beneath. It is fitted with modern white high-gloss wall and base units with antique-effect handles and complementary rolled-edge work surfaces. The floor is finished in cream ceramic tiles with contrasting charcoal grout, and the walls are part tiled. There is an integrated freestanding cooker and three additional appliances. The kitchen also houses the property's boiler and fuse board.

Upstairs, the landing features a wooden handrail, decorative coving, ceiling light point, a UPVC window to the side aspect and access to the

loft. Doors lead to three bedrooms and the family bathroom. The generous master bedroom sits to the front and includes decorative coving, a central heating radiator, ceiling light point and a large UPVC window, along with a storage cupboard. Bedroom two is a good-sized double overlooking the rear garden with ample space for freestanding furniture, a central heating radiator and ceiling light point. Bedroom three is positioned to the front and features a raised single bed area above the stairwell with useful built-in storage beneath, plus decorative coving, a UPVC window, radiator and ceiling light point.

Completing the accommodation is the modernised family bathroom located to the rear, fitted with cream floor tiles and fully tiled walls. Two frosted UPVC windows provide natural light. The contemporary white suite comprises a low-level WC with chrome push flush, pedestal wash basin with mixer tap and a good-sized P-shaped bath with curved glass screen and wall-mounted electric shower. Additional features include decorative coving, a chrome heated towel ladder and two ceiling light points.

Outside, the rear garden is a real highlight, offering a covered entertainment area with seating that is ideal for enjoying both daytime and summer evenings, complete with wooden worktops and an outdoor Belfast sink. The outhouse is divided into three sections and includes an original outside WC with cold water tap and two separate storage areas, one of which has power and a rear window. Steps lead up to a further decked seating area with pleasant, low-maintenance shrub borders, while fenced and walled boundaries provide privacy. To the left-hand side, a brick wall with arch and wrought-iron gate opens to a wide side access area with concrete path, slabs and gravelled sections with ornamental shrubs and trees, along with practical space for storage and recycling bins.
