A rare opportunity to purchase one of only two individual building plots in the highly sought-after village of Tickenham, occupying a peaceful and enviable position on the edge of Tickenham Golf Course. Extending to approximately 0.35 acres, this generous plot offers the chance to create an exceptional family home in a private setting with attractive views across the golf course towards Cadbury Camp.

The plot benefits from full planning permission granted by North Somerset Council for the construction of an impressive five-bedroom detached family home with a detached double garage. The proposed property has been thoughtfully designed in a traditional dormer style, providing approximately 2,000 sq ft of flexible accommodation arranged around modern family living. Whilst planning permission is already in place, there may be potential for purchasers to explore alternative design options or amendments, subject to approval, enabling the finished home to reflect individual preferences.

The planned home offers a superb open-plan kitchen/dining/family space, a separate sitting room, the option of a ground floor bedroom and four further bedrooms on the first floor, together with three bathrooms. The generous plot allows for extensive gardens, ample parking and a detached double garage, creating an ideal setting for a long-term family residence.

Situated on the gentle south-facing slopes of Tickenham, this is a rare chance to build a bespoke home in one of North Somerset's most desirable villages, whilst remaining conveniently positioned for Clevedon, Nailsea, Bristol and Clifton. The village offers excellent schooling, including Tickenham Primary School, together with beautiful countryside walks and easy access to local amenities.

A rare self-build opportunity on a generous 0.35-acre plot with planning for a substantial five-bedroom home overlooking Tickenham Golf Course.
