Bedrooms: 3 | Bathrooms: 2 | Receptions: 2

Discover this substantial three-bedroom detached family home, ideally situated in one of Ashington's most exclusive addresses and offered to the market with no onward chain. This property provides spacious and versatile living arrangements, perfect for modern family life.

Upon entering, you are welcomed into a practical entrance porch that leads through to a spacious, front-aspect lounge, providing an excellent area for relaxation. The heart of this home is the fantastic garden/family room, offering a bright and adaptable space that seamlessly connects with the outdoors. The newly fitted kitchen is designed for everyday convenience. Enhancing practicality, the ground floor also includes a second kitchen/utility room and a convenient downstairs shower room.

Upstairs, you will find three generously proportioned double bedrooms, ensuring comfortable accommodation for all. A well-appointed family bathroom serves the bedrooms, providing ample facilities for the household.

Externally, the property boasts a south-facing garden, ensuring plenty of sunshine throughout the day. This attractive outdoor space features a delightful summerhouse and a BBQ hut, making it perfect for recreation, entertaining, and outdoor enjoyment. Combining well-presented interiors, extensive features, and a desirable residential location, this home offers a truly comfortable living experience. Also offered with no upper chain.
