The Old Slipway is a delightful property, managed and maintained by the residents, providing peace and quiet in its location off River Road, yet is within only a few hundred metres of Arundel's thriving historic High Street that offers striking period architecture and an array of boutique shops, restaurants, and public houses.

Arundel is well served by public transport, with several bus routes operating through the town, whilst its mainline railway station can be found in only approximately 0.5-mile distance.

Arundel is a stunning market town with both medieval castle and gothic cathedral. It has convenient road links to Chichester in the west and Worthing to the east with the rolling Downs to the north while the river, from which it takes its name, is yet another glorious attraction for potential owners.
