Lifestyle Convenience

Close to schools, hospitals, and retail hubs such as Mediclinic and Meaisem City Center, providing families and professionals with unmatched convenience.

About The Project

Floarea Lakes is a lakeside residential community situated in Dubai Production City (IMPZ), offering a blend of modern living, strategic location & serene waterfront views.

This off-plan project comprises 346 premium units, including studios, 1, 2, and 3 bedroom apartments, catering to a diverse range of lifestyles, from young professionals to growing families.

Each residence features contemporary layouts that maximize natural light with limited park and lake-facing vistas, delivering an ideal balance of comfort and functionality. Residents will benefit from thoughtfully designed amenities on **three floors**, a vibrant community atmosphere, and seamless connectivity to Dubai's key districts, retail hubs, and transport links, making Floarea Lakes a compelling choice for both long-term living and investment potential.

The Key Features of *floareá* LAKES

Strategic Location Next to Lake & Park

Ideally located in IMPZ, Floarea Lakes enjoys tranquil lake and park surroundings while offering excellent connectivity to major business and lifestyle destinations.

Spacious Apartments

Generously sized residences with efficient layouts designed for enhanced comfort and everyday functionality.

Spacious Balconies

Expansive balconies that extend living spaces, offering serene views and abundant natural light.

High-End European Tiles & Appliances

Premium European tiles and branded appliances curated for durability, elegance, and superior quality.

Designer Facade

A striking contemporary façade that elevates the architectural identity of the development.

Glass & Wooden Wardrobes

Stylishly designed wardrobes combining glass and wood finishes for a refined, modern aesthetic.

Designer Interiors

Thoughtfully crafted interiors featuring elegant materials, textures, and premium finishes.

Exceptional Amenities on 3 Floors

A curated range of lifestyle amenities designed to promote wellness, leisure, and community living.

Two Signature Designer Reception Lobbies

Two distinct, professionally designed reception lobbies create a grand arrival experience, featuring refined finishes, ambient lighting, and a welcoming sense of luxury for residents and guests.

Five High-Speed Elevators

Five high-speed elevators including service elevator ensure seamless vertical connectivity, reduced waiting times, and efficient movement throughout the building, even during peak hours.

Heightened Glass Windows

Floor-to-ceiling glass windows that enhance natural daylight and offer uninterrupted views.

Smart Home System

Integrated smart home features allowing effortless control of lighting, climate, and security.

ANPR-Enabled Car Parking System

Advanced ANPR technology provides secure, seamless, and contactless parking access.

EV Charging Stations

Dedicated electric vehicle charging facilities supporting sustainable, future-ready living.

Fully Fitted Kitchen

Thoughtfully designed kitchens equipped with modern fittings for effortless everyday living.

Feature Walls

Statement feature walls that add depth, character, and a refined aesthetic to your space.

Consoles

Sleek, functional consoles designed to complement the interiors while enhancing everyday convenience.

Community Living Experience

A thoughtfully curated community that brings together comfort, connection, and a lifestyle of belonging.
