Welcome to Prospect Avenue, Stanford-le-Hope — the kind of home that quietly says “we’ve made it” while your Instagram stories do the shouting.

Perfectly positioned just moments from Stanford-le-Hope Station, this stylishly extended family home offers the dream commuter lifestyle with direct links straight into London Fenchurch Street — meaning less time travelling and more time enjoying your morning coffee in peace.

Inside, the property has been thoughtfully extended to create additional practical living space, including a handy utility area and ground floor WC because modern life deserves modern convenience. The interiors flow beautifully with bright, welcoming rooms designed for family living, entertaining and those all-important cosy evenings in.

Outside, the property keeps delivering. There’s off-street parking to the front (goodbye parking wars), while the on-site garage adds that extra layer of practicality every family home needs — perfect for storage, hobbies or keeping the car protected year-round. The rear garden offers a fantastic outdoor retreat complete with shed storage — ideal for bikes, tools, garden furniture or that gym equipment everyone swore they’d use in January.

Families will particularly love the highly desirable St Cleres School catchment location, while commuters and shoppers alike benefit from easy access to the A13 and M25, connecting you effortlessly to Lakeside Shopping Centre, Southend seafront and beyond.

And to make the move even smoother, the property is offered with no onward chain — meaning fewer complications, less waiting around and a far easier path to getting the keys in your hand.

This is one of those homes that ticks boxes you didn’t even know you had.
