ARCH COTTAGE, RUSWARP- 3 bed Cottage -£205,000

Hope & Braim are delighted to present Arch Cottage in Ruswarp to the market. Tucked away off the High Street is this terraced cottage that comes with a large garden and is located close to village amenities, including a Primary School, Village Pub, and Butchers. The cottage gets its name from the archway that leads through the alley to the rear of the building where the entrance door and path to the garden is. There are three floors of accommodation with an open plan kitchen/diner/lounge on the ground floor, a bedroom which is currently used as a second lounge and bathroom on the first floor, and two bedrooms on the top floor. The kitchen has fitted cabinets with solid Beech Worktops, whilst the dining room has a fireplace with a multi-fuel stove and a window to the front elevation. The lounge upstairs is the full width of the cottage including the space over the alley and has two large windows that flood the room with natural light and there is also another multi-fuel stove that adds warmth and character. The bathroom has a three-piece bathroom suite with a shower over the bath, a wash hand basin and a WC. On the top floor there are two bedrooms with the principal bedroom offering scope to be converted into two bedrooms, creating a fourth bedroom, if needed. The cottage benefits from having new gas central heating and double-glazing throughout. A real surprise is the "secret garden" that is hidden at the back of the terrace that is generous and will be of interest to those keen on gardening. There is also a brick outhouse located behind the terrace in addition to the garden shed and the greenhouse within the parcel of land.
