The L shaped kitchen opens to a cosy bay fronted breakfast room and there are three further reception rooms, a dining room, sitting room with fireplace adjacent and a lovely family room communicating with the kitchen and garden with Bi-fold doors to outside.

Upstairs the bedrooms are cleverly split from the middle landing to give the ability to have a private area with bedroom, bathroom and dressing room to one side, and three further bedrooms and modern shower room to the other. All bedrooms are double in size and the bathrooms are modern in style and finish.

The gardens are of course a real feature, they are paved with Indian sandstone to the rear for low maintenance and to be able to fully enjoy the swimming pool with privacy. Exterior lighting and mature planting finishes the outside space beautifully. There is personal door to the garage which has power and light plus workshop area to the rear, and the front of the property has ample parking on the driveway and is in a great tucked away position via the private lane away from the busyness of the central village location.

We have prepared these property particulars & floor plans as a general guide. All measurements are approximate and into bays, alcoves and occasional window spaces where appropriate. Room sizes cannot be relied upon for carpets, flooring and furnishings. We have tried to ensure that these particulars are accurate but, to a large extent, we have to rely on what the vendor tells us about the property. You may need to carry out more investigations in the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyor's report before exchanging contracts. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission, etc) as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains, etc) will be included in the sale.
