This handsome Edwardian property is beautifully presented yet retains many original features including sash windows and is set within a stunning cottage style garden.

The accommodation comprises an entrance portico with panelled front door with box light above, leading to a welcoming reception hall with stairs to first floor accommodation. There are two reception rooms including a dual aspect sitting room with feature fireplace with an inset gas fired stove, French doors to garden and a fitted storage cupboard housing the solar panel converter. There is a good-sized dining room with sash window overlooking the front of the property, bespoke fitted book shelving and storage cupboards. The kitchen/breakfast room overlooks the pretty rear garden and is fitted with a range of attractive cabinetry, ample fitted working surfaces with inset ceramic one and a half sink unit with mixer tap and drainer. There is a Stoves gas range cooker with extractor above and space for a fridge/freezer, washing machine and tumble drier. There is also a small cellar which is accessed from the kitchen. The owners have recently had plans drawn to create a cloakroom/W.C/shower room downstairs.

Upstairs off the landing are three good-sized bedrooms, all with fitted wardrobe cupboards and a family bathroom comprising a low level W.C, vanity wash hand basin, panel bath and a heated towel rail.

Outside, gated access leads to the rear garden which is laid mainly to shaped and manicured lawns with well stocked flower and shrub borders and beds, a shingled patio area with pergola over and a mature grapevine. Beyond is a vegetable, herb and fruit garden enclosed by neat box hedging, a large timber shed and all enjoys excellent levels of privacy and seclusion.
