Situated on a private development, this four bedroom mid terrace home offers family-friendly living space within walking distance of all local amenities. The pre and primary school, playpark and recreation ground with outdoor gym are only a few minutes walk away, with older children catching a bus to The Weald from a number of stops nearby. A choice of shops, supermarkets, cafes, bars, takeaways and restaurants will all be found in the village, along with a mainline station with direct routes to London and Gatwick.

Set back behind a double width driveway with Podpoint EV charger, the property offers a very sociable U-shaped living arrangement on the ground floor, with the long kitchen opening onto a dining area and then to the cosy lounge with lots of fitted storage and space for the family to relax in at the end of the day. A sliding patio door leads to the small rear garden, with artificial grass for ease of maintenance. There's a raised shrub area beyond, with potential for the next owner to create an upper patio seating area, as some of the neighbours have done.

Upstairs, all four bedrooms will take a double, two have far reaching views to the South Downs and there's a very smart, modern bathroom with bath and separate shower, perfect for when everyone's trying to get ready at once in the morning!
