INTRODUCTION

Coming to the market for the first time in 62 years, Lower Church Farm was farmed by Mr & Mrs Teague as a dairy farm until the herd was sold in 1995. A farmhouse B&B was operated through the 1980's and 90's to supplement the dairy and a stone barn, now Monks Mead, was sold off in 1995. The farm was then operated as a beef farm and more lately the grass keep sold to a local farmer.

THE FARMHOUSE

Built in 1738 the farmhouse boasts a number of original features, including an inglenook fireplace with bread oven and exposed beams. The current configuration provides a feature 27ft sitting room, 4 bedrooms and a large attic room.

The farmhouse, extending to 2,300 sq.ft is perfect for reconfiguration, improvement and extending, subject to consent, to provide a characterful country and family home.

The farmhouse sits in a large garden, mainly down to lawn with several shrubs, leading down to a large pond and summerhouse. A wooden bridge over a stream leads to one of the fields.

THE OUTBUILDINGS

A long stone, brick and concrete block elevation barn houses a large workshop, double garage and log store. Opposite this is a small stone workshop. These are served by a tarmac surface entrance yard with plentiful parking.

A second yard area provides further parking and access to a timber cubicle shed measuring 13m x 12m (42' x 39') which has a stone floor and provides useful storage.

THE LAND

The farm is approached over a long tree lined drive from the church down over a stream to the farmstead. This is shared with the adjoining dwelling 'Monks Mead'. The drive is flanked by two paddocks. Beyond the farm buildings is a larger 9.4 acre level pasture field and, over a stream, a further 2 acre field.

The land is clay loam, capable of growing strong grass and arable crops. A public footpath runs down the drive and across the rear field. The vendor reserves an access on foot to her parent's grave adjoining the church marked + on the plan.

LOCATION

Lower Church Farm is situated in an idyllic rural location below the 13th Century church of St. Stephen, off the quiet Rectory Lane and surrounded by rolling pasture land in the parish of Charlton Musgrove. The local landmarks of Wincanton racecourse and King Alfred's Tower, Stourhead are visible from the property.

The location is particularly accessible lying only 1 mile north of Wincanton town and the A303 trunk road, whilst the popular artistic and scholastic town of Bruton is only 5 miles north, with mainline railway to London Paddington (2 hours), Bath and Bristol. There is a good network of footpaths and country lanes on the doorstep for walking, cycling and horse riding, with the Stourhead

Estate woods within hacking distance.

The area is particularly well served by schools with state secondary's in Wincanton and Bruton and private schools at Kings Bruton, Port Regis, Hazlegrove and the Sherborne Schools all within a 30 minute drive.

AUCTION NOTES

Prospective buyers are strongly advised to take note of the advice and information given in these important notes. IMPORTANT NOTICE - Symonds & Sampson LLP and their Clients give notice that:

1. They have no authority to make or give any representations or warranties in relation to the property. The particulars do not form part of any offer or contract and must not be relied upon as statements or representations of fact.

2. Any areas, measurements, or distances are approximate. The text, photographs and plans are for guidance only and are not necessarily comprehensive. It should not be assumed that the properties have all necessary Planning, Building Regulation or other consents, and Symonds & Sampson LLP have not tested any services, equipment or facilities. Purchasers must satisfy themselves by inspection or otherwise.

3. This catalogue contains details about properties being sold at auction. The vendors reserve the right to sell their properties prior to auction and these details can be subject to change up to and including the day of the auction. Please check our website regularly at: www.symondsandsampson.co.uk and look out for any additional materials available on the day of the auction, in order to ensure you have all the up to date information.

Plans and Measurements - All room sizes, site measurements and distances are approximate and may have been scaled from architects, Land Registry or Ordnance Survey plans. They are there to assist buyers in identifying the lots offered and not guaranteed to be to scale or to indicate the full extent of the property being offered. Buyers are advised to view the Special Conditions and full legal documentation in respect of the precise interest to be sold.

Each lot will be sold in accordance with the title documentation as the location plans shown in the catalogue are for identification purposes only. Interested applicants should make their own site inspections and investigations with regard to the accuracy of all measurements given in the catalogue.

VAT - Prospective buyers should satisfy themselves as to whether VAT is chargeable on the price prior to the auction from the seller's solicitors.

Tenure - Freehold and vacant possession will be given on completion unless otherwise stated.

The Guide Price is an indication of the seller's current minimum acceptable price at auction. It is given to assist consumers in deciding whether or not to pursue a purchase.

It is usual, but not always the case that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued.

A guide price is different to a reserve price (see below). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

The Reserve Price is the seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The 'Reserve Price' may exceed the 'Guide Price' listed. If so, it is customary for the 'Reserve Price' to exceed the guide price by no more than 10%.

Purchaser's Administration Fee

The successful purchaser will be required to pay to the Auctioneers a Purchaser's Administration Fee of £1,800 (including VAT) payable to Symonds & Sampson. For purchases of £50,000 or less the Administration fee will be £960 (including VAT). If two or more lots are offered together in the first instance, or lots are purchased under one contract, the administration fee will apply per lot and not per contract. The charge will apply to lots bought prior to and post auction. In the event of non-payment or underpayment a deduction will be made from the deposit received. A VAT receipt will be issued in the name of the buyer.

Disbursements

Please see the legal pack for any disbursements listed that may become payable by the purchaser on completion.

Viewings

Should you wish to inspect a lot please arrange for an appointment with the Auctioneers. Prospective buyers view all lots entirely at their own risk and neither the Auctioneers, or the Sellers take responsibility for any damage or injury, however caused. It is advisable to wear appropriate footwear and clothing as some buildings, particularly those for refurbishment, may have uneven floors or missing floorboards. It may, in some cases, be advisable to bring a torch as electricity is not serviceable for safety reasons.

We do not guarantee to attend viewings where appointments have not been confirmed.

Professional Advice - We strongly recommend that all prospective buyers take independent legal and where appropriate other professional advice.

Legal Documents - All legal documents supplied to us, including Special Conditions of Sale, title details, leases, searches, planning permissions and plans, will be available for inspection prior to the auction. The legal documents can be downloaded from symondsandsampson.co.uk/auctions/future-property-auctions at a cost of £12-£24 including VAT.

Contract - The Contract will be subject to the Particulars, General and Special Conditions of Sale, stipulations and notes which may be issued before the sale.

Insurance - You may need to insure the property at the fall of the hammer. Please check the legal pack or with the seller's solicitor.

Identification - In compliance with Money Laundering Regulations all successful bidders are required to provide verified photographic identification and evidence of residency for all named buyers when signing the Sale Memorandum.

Deposit

Deposits of 10% of the purchase price (or £2,000, whichever is the greater) are payable on the fall of the hammer. 3. All bidders registered via Auction Passport must authorise a £10,000 security hold on a debit card as part of the registration. Those submitting bidding forms will be required to provide card details for security. If you are successful, the £10,000 hold will be deducted from your account and put towards the 10% deposit. If you are unsuccessful, the hold on your card will usually be removed within 5 working days. When the 10% deposit is taken, you will also be required to pay a Buyer's Administration Fee of £1,800 (£1,500 + VAT). In some cases, this figure may be higher and if so, will be stated in the addendum. For lots with a purchase price below £50,000, the Buyer's Administration Fee will be £960 (£800+VAT). 4. The auctioneer, in accepting remote bids, acts as agent for the prospective bidder/purchaser who shall be considered to have authorised the auctioneer on the basis of all relevant conditions of sale and any amendments to the auction particulars. In the event of the prospective purchaser's bid being successful, the auctioneer or any duly authorised partner or employee of Symonds & Sampson LLP is authorised by the bidder and purchaser to sign any Memorandum of Sale or Sale Contract relating to the property concerned incorporating any addendum.

5. The auctioneer accepts no liability for any bid not being made on behalf of the prospective purchaser and reserves the right to bid himself or through an agent up to the reserve price for the particular property concerned.

6. In the event that: (a) two or more parties consider for whatever reason that they are the highest bidder; (b) there is a dispute as to which bidder is the highest bidder; (c) there is any other dispute as between any bidders and/or as between the auctioneer and any bidders; or (d) the auctioneer considers that there is a disputed bid; the auctioneer at their sole discretion have the right to declare a "Bidding Dispute" at any time during the auction. In the event of a bidding dispute, the auctioneer reserves the right to re-offer the lot on the terms they consider to be reasonable. The auctioneer shall accept no liability whatsoever if the underbidder is unable to make an increased bid. The auctioneer's decision on the conduct and outcome of the auction is final.

7. In the event that another bidder makes a bid equal to the maximum bid the remote bidder is prepared to make, the auctioneer reserves the right to accept either bid at their own discretion. The auctioneer's decision is final.

8. The auctioneer accepts no responsibility for failure of telecommunications or internet connections in respect of a telephone or internet bid, or any delays in the postal system if a bidding form is sent through the post.

11. Successful proxy bids will be notified to the prospective buyer within 24 hours of the conclusion of the auction sale. Proxy bidders are advised to telephone the Auctioneer's office before 10am on the day of the sale in order to and out whether any addenda apply to the property for which they have authorised the Auctioneer to bid on their behalf.
