A FAMILY HOME AND THEN SOME

Space, flexibility and a fantastic garden — with plenty here to make family life that little bit easier.

There is so much to love about this spacious four-bedroom detached home.

Generous throughout and offering a really practical layout, it gives families plenty of room to live, relax, work and entertain, with a fantastic kitchen, lounge and dining space at the heart of the home. Add a separate living room, four bedrooms, two en-suites, a family bathroom, integrated garage and masses of outdoor space, and you have a home that offers both versatility and room to grow.

THE FINER DETAILS

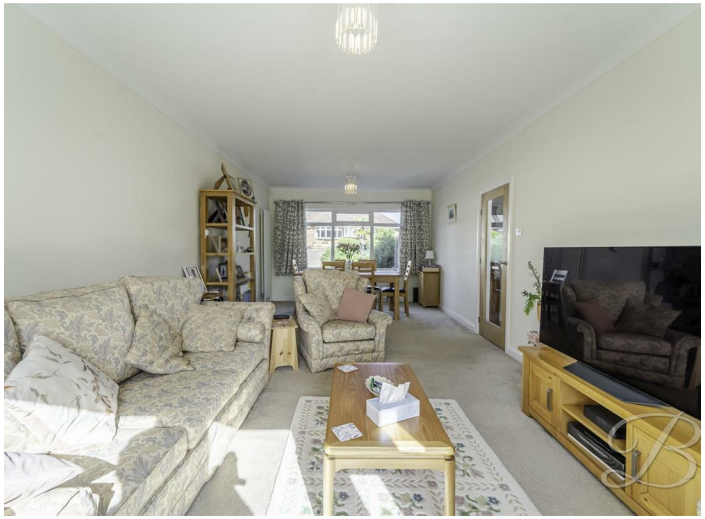

The ground floor offers an excellent mix of open-plan family space and separate rooms, with the impressive kitchen, lounge and dining area creating a natural hub for everyday life. There is also a separate living room, downstairs WC, useful storage and a ground-floor bedroom with its own ensuite, giving the layout plenty of flexibility for family, guests or multi-generational living. Upstairs, three further bedrooms are joined by an ensuite, family bathroom, generous landing space and excellent built-in/eaves storage.

The welcoming porch leads into the entrance hall, giving access to the main living areas and stairs. At the heart of the home is the fantastic kitchen, lounge and dining space, arranged as one generous area that works beautifully for both everyday family life and entertaining. There is also a separate living room, offering somewhere quieter to relax, while bedroom one sits to the front and benefits from its own ensuite and additional WC nearby. The integrated garage is accessed from the property, adding useful practical space and storage.

Upstairs, three further bedrooms provide plenty of space for family and guests, with the main bedroom enjoying its own ensuite and excellent wardrobe storage. The remaining bedrooms also benefit from useful built-in storage, while the family bathroom serves the floor. The landing itself is generous and there is further storage tucked into the eaves, making excellent use of the space throughout.

Outside is where this home really comes into its own. A long driveway provides generous parking for multiple vehicles, while the front garden is neatly laid to lawn with established foliage. To the rear, a paved terrace creates the perfect starting point for outdoor seating and entertaining before stepping down onto a substantial lawned garden. There is plenty of room here for children to play, for summer gatherings or simply enjoying the space, with a summer house and small decked area adding even more versatility.
