Property Description

Quilliam are delighted to present this newly refurbished, purpose-built, first-floor, fully furnished two-bedroom flat. The property features engineered wooden flooring throughout, a bright dual-aspect reception/dining room, a double bedroom and a well-proportioned single bedroom, along with a newly fitted modern bathroom and a newly refurbished separate kitchen with integrated appliances.

The property further benefits from a self-contained private rear garden, which will be fully landscaped in the spring of next year to include an outdoor barbecue area, patio space, and a combination of flower beds. The flat is ideally located within walking distance of Castlebar Park Station and West Ealing Station.

The home has a distinctly light and airy atmosphere, enhanced by generous newly fitted uPVC windows that fill each room with natural daylight and feature trickle vents for optimal ventilation. The recent refurbishment provides a fresh, contemporary finish, creating a welcoming environment that feels both stylish and comfortable. The maisonette is fully furnished for an easy move-in experience, with well-chosen pieces that complement the layout and make the most of the available space.

The spacious reception room is ideal for relaxing or entertaining, while the separate newly fitted kitchen offers good storage and practical worktop surfaces for everyday use. Combined with strong transport links, a newly refurbished interior, and a good-sized private rear garden, this property offers an appealing and convenient living option for renters seeking quality and comfort in West Ealing.
