Immaculately presented throughout and providing a generous 877 square feet of much improved living space, these properties tend to prove very popular with most buyers, so early viewings are essential. The home itself has benefitted from numerous enhancements over recent years too, including a highly efficient boiler, all new windows, a stylish new media wall & stunning landscaped garden. The result is a very impressive living space that in brief comprises; a generous front lounge with sleek media wall & bi-folding doors that open outside plus a superb modern fitted kitchen. Upstairs, because of the passage down the side of the house, the upstairs is particularly spacious, offering three large double bedrooms plus a contemporary bathroom & separate wc. Externally, there is a lovely private rear garden which has been beautifully landscaped & finished with a low maintenance synthetic lawn & quality porcelain flagging. The rear also enjoys a sunny, south facing aspect. To the front is a driveway providing off road parking. The home locally rests a short walk to numerous picturesque walks and trails, plus in the catchment for some excellent local schools. The property is warmed by gas central heating & the boiler is just 6 months old. Early viewings are highly recommended.
