

Newtons Lane
Cossall, Nottingham NG16 2SB

£280,000 Freehold

A TRADITIONAL THREE BEDROOM
DETACHED HOUSE.

Nestled in this semi-rural location is this traditional three bedroom detached house situated on a larger than average garden plot of approximately 0.16 of an acre.

Being the last house on the left hand side of Newtons Lane, the property is adjacent to open fields and enjoys far reaching views over the surrounding area to the rear. Far from being isolated, the property sits on the outskirts of Cossall, a Nottinghamshire Village. A recent development has put the area on the map as an up and coming place to live, with a local primary school nearby. A short drive away can be found the IKEA and Giltbrook Retail Park which offers a fantastic out of town shopping experience. Also within easy reach is the market town of Ilkeston and the A610 giving direct access to Junction 26 of the M1 motorway and Nottingham city centre.

The property benefits from gas fired central heating served from a combination boiler, majority double glazed windows throughout and offers a clean and tidy blank canvas for an incoming buyer to put their own mark upon it.

The accommodation comprises entrance hall, cloaks/WC, through lounge diner and fitted kitchen. To the first floor, the landing provides access to three bedrooms and bathroom/WC.

The property is situated on a larger than average garden plot set back from the road with a driveway providing off-street parking and an attached garage. The rear garden offers an expansive lawn with open views. Due to the size of the garden plot, the property offers the potential to be extended (subject to the usual Planning Permissions, etc.).

Offered for sale with NO UPWARD CHAIN and immediate vacant possession, internal viewing is recommended to appreciate the potential on offer.
