This well-presented mid-terraced home offers approximately 850 square feet of well-arranged accommodation in a sought-after position on the edge of Larkhall, enjoying countryside walks close by while being just over 1.5 miles from Bath city centre.

The property is approached via an enclosed front garden and opens into a welcoming entrance hall with engineered oak flooring and useful built-in storage. The spacious dual-aspect lounge/dining room extends the full depth of the house, creating a bright and airy living space with sliding patio doors opening directly onto the rear garden.

A separate fitted kitchen provides a good range of storage, integrated cooking appliances and access to the garden.

Upstairs, the landing includes a useful recessed area currently used as a work-from-home space, along with additional storage and loft access. The main bedroom spans the full width of the property and benefits from extensive built-in storage, while the second bedroom is another generous double overlooking the rear garden. A modern bathroom completes the accommodation with a bath and shower over, heated towel rail and natural light from multiple windows.

Outside, the rear garden measures approximately 35ft x 20ft and has been designed for easy enjoyment with a patio terrace, lawn, established planting and mature trees providing a good degree of privacy.

Spring Lane is ideally positioned for access to Larkhall Square (approximately 0.2 miles away - five or so minutes on foot). It provides a selection of amenities including a Butchers, Deli, greengrocers, hardware shop, Co-Operative supermarket and an independent bookshop. The popular Rondo Theatre and New Oriel Hall are thriving community venues. Excellent local schooling includes St Saviour's infant and junior schools together with St Mark's secondary school, all located within approximately a quarter of a mile, while regular bus services from Whitewells Road and Larkhall Square offer convenient access into Bath city centre. The house is superbly positioned for those requiring access to the M4, which is easily accessible without having to cross the city centre. For those who appreciate green spaces and sports, there is a variety of active clubs with which to get involved.

Agents Note There is an old right of access in the form of a thin pathway that runs along the bottom of the gardens of all properties in this terrace, allowing neighbours to walk along the rear. To our Vendors knowledge this right has not recently been exercised, and the mature planting placed at the end of the garden that blocks said access way would suggest this is also the case.
