Positioned at the rear of the property, the impressive open-plan kitchen/dining/family room forms the heart of the home and is perfectly suited to modern family living and entertaining. A large skylight fills the space with natural light, while sliding doors open directly onto the landscaped rear garden. The comfortable seating area is centred around a wood-burning stove, and the dining area offers ample space for a family dining table and chairs. The contemporary kitchen is fitted with quartz worktops surfaces, an extensive range of cupboards and drawers, complemented by a central island incorporating additional storage and a drinks fridge. Integrated appliances include a 'AEG' double oven, a six-ring gas hob with extractor canopy over, an 'AEG' dishwasher, and twin fridge and freezer units. A door leads through to the utility room, which provides space and plumbing for a washing machine and tumble dryer, with further access into the garage. The separate sitting room/snug is a versatile space that could equally be used as a home office, playroom, or additional reception room. The principal bedroom is a generous double room benefiting from fitted wardrobes and a wood burning stove. Concealed doors lead into the luxurious en-suite bathroom, which features a skylight and a suite comprising a freestanding bath, twin wash hand basins with storage below, WC, and a heated towel rail. Bedrooms two and three are both well-proportioned rooms and each benefits from fitted storage. The shower-room is finished with fully tiled walls and flooring and features a skylight, WC, wash hand basin, and a rainfall-style shower.
