General Description

Smiths Property Experts are delighted to offer for sale this individually designed and thoughtfully extended detached home, occupying a corner position in one of the town's most favoured locations. The property has been in the same family for over 50 years and offers approximately 2,035 square feet of spacious accommodation, which has been altered and adapted to now offer the potential for multi-generational living.

Arranged over two floors, there are four reception areas, four good-sized bedrooms, a spacious kitchen and utility areas, along with a fabulous outdoor space including ample parking, a garage and a wonderful, south-facing garden. A rare visitor to the market, and in such a superb location, this property demands an internal inspection to truly appreciate.

The Property

The property benefits from double glazing and gas central heating, with the main entrance being positioned on Castledine Street. The fabulous central reception hallway has herringbone flooring, stairs off to the first floor, and doors leading off to all ground floor rooms. A spacious living room is a naturally bright room, with a picture window overlooking the garden and an open fire, with an archway through to the sitting room, and patio doors to the garden.

There is a more formal dining room, which provides a walk-through area to the kitchen, which is fitted with a range of high-quality base and wall units with tiled work surfaces, integrated appliances including a dishwasher and double oven, and a useful pantry under the stairs. There is a spacious utility room, which has the potential to be used as a second kitchen, with a rear lobby providing further storage and doors to the side. The principal bedroom is on the ground floor, and has been extended to provide an exquisite space, with a dressing area and an array of built-in wardrobes. To complete the ground floor, there is a recently replaced bathroom, beautifully appointed with a luxurious four-piece suite, a jacuzzi bath and a further separate WC.

The first-floor landing gives way to three well-proportioned double bedrooms, each having been recently redecorated with replacement carpets, a separate WC, and providing what could easily be used as a self-contained living space.

The Outside

Set behind a double-width driveway with low-maintenance rear gardens and mature evergreen shrubbery, the property occupies an enviable position in the village. There is an integral garage to the rear. To the front are private lawned gardens, with established borders and beds, and a patio terrace laid across the front of the main house. The gardens are particularly flat and offer excellent potential to create modern 'inside out' living should the eventual purchaser wish.

The Location

The property is situated within walking distance of Loughborough town centre on a private residential street with residents-only parking, conveniently positioned close to a wide range of shopping facilities, supermarkets, pubs, and eateries. There is also great access to endowed schooling. There is a train station within walking distance, with direct lines to Leicester, Nottingham, and London, as well as easy access to excellent road networks, including the A6 and M1 motorway.
