Occupying a prime position within this impressive Grade II listed conversion, this beautifully presented two-bedroom ground floor apartment combines period elegance with modern convenience. Converted from an historic 18th-century building approximately twenty years ago, the property retains an abundance of character, including high ceilings, large sash windows and attractive wooden flooring throughout.

The apartment enjoys delightful views over the central communal gardens and is set within a secure gated development, offering both allocated and visitor parking.

A welcoming communal entrance hall leads to the apartment's spacious private reception hall, which benefits from useful built-in storage cupboards. The principal living space is a generously proportioned sitting and dining room, flooded with natural light from a large sash window overlooking the beautifully maintained communal gardens. Adjacent to the living area is a well-appointed, newly refurbished kitchen, fitted with a range of integrated appliances and designed to provide both practicality and style.

The impressive principal bedroom enjoys peaceful garden views and features fitted wardrobes together with a private en-suite bathroom. A second double bedroom, also overlooking the gardens, is served by a separate contemporary shower room complete with a large luxury shower enclosure. Both bedrooms benefit from the apartment's signature high ceilings and elegant sash windows, creating bright and inviting spaces.
