At the heart of the village stands the beautifully restored Grade II listed manor house, a landmark residence seamlessly integrated into the community. Rich in heritage and architectural character, it provides an inviting setting for social gatherings, organised activities and elegant communal spaces where residents can connect and relax. Landscaped grounds and tranquil pathways create a calm and welcoming atmosphere, encouraging both quiet reflection and sociability at your own pace.

Residents may enjoy a fully independent lifestyle enhanced by discreet close-care options and on-site facilities designed to adapt to changing needs.

The environment is welcoming without expectation, fostering a genuine sense of belonging while offering reassurance for the future.

The apartment itself forms part of the exclusive Thatcher View development — a boutique collection of just 23 contemporary coastal residences arranged over three architectural levels. Designed with clean modern lines, the building complements its natural surroundings while maximising light and outlook.

Access is convenient and discreet, approached via external steps or through the main entrance with lift access to the lower floor. Extending to approximately 921 sq ft, the accommodation has been thoughtfully arranged around an open-plan layout that enhances the sense of space and connection to the outdoors.

The principal living area is bright and inviting, opening onto a private terrace where filtered sea views can be enjoyed through the trees. The living space flows seamlessly into a fully fitted kitchen, creating an ideal setting for relaxed everyday living and entertaining.

Bedroom one opens directly onto the terrace, a sheltered outdoor retreat offering fresh sea air and a peaceful place to unwind, it also benefits from a well-appointed en-suite shower room. Bedroom two is positioned to the rear of the apartment and is served by a separate contemporary bathroom. Both bathrooms are finished to a high standard, reinforcing the apartment's sense of comfort and quality.

Residents enjoy access to a spectacular communal roof terrace at the top of the building, capturing sweeping sea views and providing an exceptional shared vantage point for sunset evenings. An allocated external parking space adds everyday practicality to this refined coastal residence.
