Some More Information

As planned the property will be set back from the road and accessed over a private driveway which we understand is within the ownership of the seller. The lane gives way to the plot which totals 0.91 acres and could be described as a "L" shape. As per the outline approval, the purchasers will construct a single access bridge over the brook, where a pathway leads to the front of the property which as the outline design is shown in the ever popular H shape home. Given the outline consent it may be possible to make amendments to the design during the reserved matters application in order to create your own home.

If the reserved matters application were to be submitted as per the full consent, the property will have up to 4 reception spaces including a large kitchen breakfast room in addition the ground floor accommodation will allow for a utility room and cloakroom. To the first floor there are 5 bedrooms, 2 of which have en-suite facilities in addition to the family bathroom.

Externally

To the front of the property access is provided via the existing private drive, which leads in to the plot which is currently laid to grass and has a brook running through which is bridged over to access the balance of the plot.

Location

Located in the village of Little Braxted, the property is located just 100m from the Green Man Public House, with the day to day needs being catered for by Wickham Bishops located just 1.3 miles from the property.
