Cambridge Drive, Lawford

Situated within the elegant and highly sought-after Summers Park development, this well-presented "Alice" design home was constructed by renowned local developers Rose Builders.

One of the development's larger three-bedroom designs, the property features high ceilings, sash-style windows and underfloor heating to the ground floor.

At the heart of the home is a spacious open-plan kitchen, dining and living area, enhanced by a partially vaulted ceiling, rooflights and wide bi-fold doors opening onto the rear garden. The contemporary kitchen includes integrated NEFF appliances, comprising a double oven, gas hob, dishwasher, washer-dryer, fridge-freezer and wine cooler. A ground-floor cloakroom completes this level.

Upstairs are three bedrooms and a modern family bathroom. The principal bedroom benefits from a dressing area with wardrobes and an en-suite shower room featuring a generous double shower.

To the front a block-paved driveway provides ample off-road parking and extends through double gates to a further secure area.
