THE PROPERTY

'A unique detached coach house style property in the village of Frampton, forming part of the Manor Farm Cottages. Previously owned by a cabinet maker, the property has had some lovely individual and bespoke touches throughout, such as built in cabinets, shelving, desk, timber flooring and kitchen units. The open plan kitchen / dining / living room offers a sociable space, with an external door to the side of the building and window to the front. The kitchen units are hand built, with clever storage solutions, large built in dresser, fitted fridge/freezer, dishwasher and gas range oven and hob (Calor gas bottle) all set amongst striking yellow worksurfaces and matching tiling. The additional reception room is a spacious room with glazed door and full length windows to the front terrace and fitted shelving and a desk. At the back of the room is a cupboard with the hot water tank, electric boiler, sink, space and plumbing for a washing machine.

Open stairs rise to a half landing which leads to a double bedroom with a multi-timber bed wall panel with 2 side lights. Around the back of the panel is a walk in wardrobe area and there is a light and airy shower room. Further open stairs leads to another spacious double bedroom, landing area and stylish bathroom with a wealth of natural light.

OUTSIDE

To the front of the property is an open raised terrace with view to the front over Frampton Park and space for outside dining. To the side of the property there is a handy secure store room for outdoor equipment etc.

There is one off road parking space just in front of the property.

SITUATION
