Outside

Front

To the front of the property, a metal gate opens onto a brick-weave driveway which extends down the side of the property to the single garage. The front garden features a shingle area, bordered by a brick wall to the front and timber fencing to the side. A paved pathway leads round and stepping stones lead through the shingle to a step up to the main entrance door and storm porch.

Rear

To the rear of the property is a secure garden enclosed by timber fencing. A concrete patio area leads onto a shingled section with stepping stones. The garden also benefits from a paved pathway leading down the side of a laid lawn, there is also access to a side gate leading onto the driveway. Beyond this at the bottom of the laid lawn is space for a shed or summerhouse. There are also small borders with plants and shrubs.

Garage

The property benefits from a brick-built single garage fitted with an up-and-over door.
