Finding a home that offers peace and privacy without losing touch with everyday convenience can feel like an impossible balancing act. This beautifully extended family home manages it effortlessly.

Tucked away in a quiet cul-de-sac in one of King's Lynn's most sought-after locations, this four-bedroom detached home enjoys an enviable position backing directly onto woodland, creating a wonderful sense of seclusion. Yet, just a short stroll from your front door, you'll find schools, shops and local amenities, making it a home that's every bit as practical as it is peaceful.

Lovingly cared for and thoughtfully extended over the years, this is a home that's ready to welcome its next family from the very first day. Every improvement has been made with modern living in mind, creating bright, versatile spaces that adapt beautifully to the rhythm of family life.

The entrance porch provides a practical welcome, offering somewhere to leave coats and shoes before stepping into the heart of the home. The living room is a wonderfully comfortable space where life naturally unfolds. Whether it's a quiet evening curled up with a favourite film or a house full of friends celebrating a special occasion, it effortlessly changes to suit the moment.

Flowing from here is the conservatory, currently arranged as a dining room. Bathed in natural light and overlooking the garden, it creates the perfect setting for everything from relaxed Sunday lunches to summer evenings with family and friends, while maintaining a wonderful connection to the outdoors throughout the year.

The kitchen has been beautifully designed with both style and practicality in mind. Contemporary cabinetry offers an abundance of storage, while generous worktop space makes cooking a pleasure rather than a chore. It's a room that's equally suited to busy weekday breakfasts as it is preparing meals for larger gatherings.

Beyond the kitchen, a rear lobby leads to the garden, a useful cloakroom and a highly versatile additional reception room. Currently enjoyed as a cosy snug, it could just as easily become a home office, playroom, guest bedroom or hobby room, allowing the home to evolve as your family's needs change.

Upstairs, four well-proportioned bedrooms continue the home's welcoming feel. The principal suite enjoys a particularly peaceful outlook across the rear garden and into the woodland beyond, creating a calming retreat at the end of the day. An en-suite shower room adds an extra touch of comfort, while the remaining bedrooms are served by a beautifully appointed contemporary family bathroom.

Outside is where this home truly comes into its own.

The rear garden feels wonderfully private, with mature woodland providing a beautiful natural backdrop that's difficult to find so close to the town. A generous lawn creates plenty of space for children and pets to enjoy, while a seating area at the far end of the garden offers the perfect place to relax with a morning coffee or entertain long into warm summer evenings. There's also ample room for a summerhouse, garden studio or additional storage should you wish.

To the front, off-road parking and an attached garage complete the picture, adding the practicality every busy household appreciates.

Homes that combine generous family accommodation, woodland views and such a convenient location are incredibly rare. This is more than just a place to live, it's somewhere to slow down, enjoy your surroundings and create memories for years to come.
