"We bought our house as a Victorian two-up, two-down, 53 years ago. Built in 1896 we are only the second owners! Over the years it has grown to become a comfortable 4-up, 4-down, family house, set back from the road, with a large garden and patio, rare in Clifton, that we only realised we had after we had cleared the 6 feet tall brambles which covered the whole site.

We love our house and are sad to leave. The location is ideal; an easy walk from Clifton Village, the Triangle and University, local schools, the Docks, Park Street and the City Centre via leafy Brandon Hill which is right opposite us. We hardly have to use the car. If you enjoy city life, surrounded by greenery - it's perfect."
