

Situated on a wider than average plot and with more parking than most within this highly sought after conservation area, with it's winding roads, small greens and interesting architecture. This chocolate box, cottage-style house, with tile hung roof, has many interesting and period features and there is certainly much more to it than meets the eye. Versatile accommodation, with one bedroom on the ground floor which could easily be used as a second reception room and a spacious ground floor bathroom with both bath and double shower, there is a well equipped, stylishly fitted kitchen/diner 23' 6" x 8' 5", with integrated appliances and an en-suite wc to the master bedroom. The rear garden is a very impressive feature, well stocked and cared for by the current owners, measuring 66' x 35', and plenty of space for children to run around in and offering a sunny aspect. There is also a recent addition of a garden office with attached storage space and decked frontage. The property is within half a mile or so of highly regarded St. Thomas More RC primary school and well served by public transport with bus routes a similar distance and Eltham station around 0.8 miles away.
