Set along one of Yatton's most sought-after roads, just a short stroll from the village amenities and mainline train station, this bright and impressively spacious three-bedroom semi-detached home offers exceptionally flexible accommodation, ideal for modern family living. Offered to the market with no onward chain, the property presents a fantastic opportunity for buyers looking to move swiftly.

From the moment you step inside, there is a wonderful sense of space and light. The ground floor has been thoughtfully arranged to provide both open-plan sociable areas and separate, versatile rooms to suit a variety of lifestyles.

The sitting room is a particularly generous space, filled with natural light and offering ample room for comfortable seating - perfect for relaxing evenings or hosting family and friends. This flows through to the spacious kitchen/dining room, which undoubtedly forms the heart of the home. With extensive worktop space and room for a full dining table, it is perfectly suited to everyday family life as well as entertaining on a larger scale.

To the front of the property, a further reception room adds significant versatility. Currently used as additional living space, it could equally function as a home office, playroom, snug or hobby room. Importantly, due to its position adjacent to the cloakroom, it would make an excellent fourth bedroom if required, creating a more self-contained guest suite or space for a teenager or dependent relative.

The cloakroom itself was originally fitted as a shower room and could be easily reinstated, offering excellent potential for those seeking ground floor bathing facilities – a valuable addition for multi-generational living or future-proofing.

Upstairs, the sense of proportion continues. Three well-balanced bedrooms provide comfortable accommodation, including two generous doubles and a good-sized third room. The family bathroom is fitted with a stylish four-piece suite, including both a bath and separate shower, combining practicality with comfort.

Outside, the property enjoys a pleasant enclosed rear garden, ideal for children, pets, or outdoor dining during the warmer months. To the front, a smart block-paved driveway provides ample off-road parking and leads to the garage, offering further storage or workshop potential.

What we love about the property... A spacious, adaptable and light-filled home in a prime village position – perfect for modern living, within easy reach of Yatton's shops, schools and mainline railway station for commuting.
