Kendal, LA9 5FH

Guide Price £380,000

A four bed town house, ideal for families and located towards the head of a cul-de-sac on the popular Jones Homes development on Milnthorpe Road heading out of Kendal. Completed in 2020 and with an attractive stone frontage, the accommodation is arranged over three floors and comprises of; entrance hall, ground floor cloakroom, double bedroom and utility room, then on the first floor there is a large living room and a kitchen/diner, and the top floor has the master ensuite, two further bedrooms and the family bathroom.

There is a landscaped rear garden accessible from the kitchen/diner at first floor level, and an integral garage with pedestrian door into the entrance hall. The property is double glazed and gas centrally heated, and for added safety and peace of mind it is fitted with a fire sprinkler system throughout.

The Paddock Drive development is a 6 minute drive into Kendal town centre with the town lying on the edge of the breathtaking Lake District National Park. It is a vibrant and historic market town, often referred to as the "Gateway to the Lakes". The town is packed with independent boutiques, cafés and traditional pubs, complemented by well-known high street names. Cultural life flourishes at the renowned Brewery Arts Centre, offering theatre, cinema, live music and creative workshops throughout the year.

Families are drawn to Kendal for its respected schools, strong sense of community and excellent leisure facilities. Outdoor enthusiasts are equally well served, with scenic walking and cycling routes along the River Kent and easy access to nearby fells, lakes and countryside.

Well connected yet wonderfully tranquil, Kendal benefits from strong transport links via the M6 motorway and Oxenholme Lake District railway station, providing direct services to Manchester and London.

The dining end of the kitchen has plenty of space for a family sized dining table and chairs and it sits alongside French doors that lead to the rear garden. The whole area is flooded with natural light creating a wonderful place for dining and socialising with family and friends,

Living Room

The living room is 'L' shaped allowing for different configurations depending on your needs.
