The well-designed kitchen has a U-shaped worktop with lots of storage in a range of high and low cabinets and drawers. From the left there is a full-height fridge-freezer and then a Neff double oven with a cabinet above and drawers below. In the centre of the worktop is a four ring gas hob with extractor fan above. Under the wide south-facing window is a 1.5 stainless steel sink and drainer with chrome mixer tap. The worktop has tiled splashbacks and there is space and plumbing below for a washing machine. The room has laminate flooring and a ceiling light fitting.

Lounge-Diner

15'8" x 11'9" (4.8 x 3.6)

This bright and airy room has a large wide window and half-glazed door out to the rear garden, bringing lots of natural light flooding in. The room is carpeted and has lots of space for furniture, including in the open area under the stairs, where the dining set is currently positioned. The room has a radiator, ceiling light fitting, skirting boards and ceiling coving.

Stairs to first floor landing

The carpeted stairs have a banister with decorative spindles on the right. At the landing, there is a ceiling light fitting overhead and matching white panelled doors with chrome handles lead into the bathroom and both bedrooms.

Shower Room

8'8" x 5'8" (2.65 x 1.75)

The walk-in shower on the left has a tall reinforced glass screen and houses a mains-fed shower with wall-mounted control panel. It has a tiled surround including a modern easy-clean wall. There is a ceramic capsule WC, ceramic 'floating' sink with chrome mixer tap and a wall-mounted mirrored cabinet above. The room also includes a deep-set frosted double-glazed window, vertical heated towel rail, recessed spotlights, an extractor fan and a tall cupboard housing the Worcester boiler.

Bedroom One

12'1" x 11'9" (3.7 x 3.6)

This large double at the rear of the home has lots of space for a king-size or double bed and additional furniture. There is a large open storage area above the stairs and the carpeted room has a radiator and ceiling light fitting.

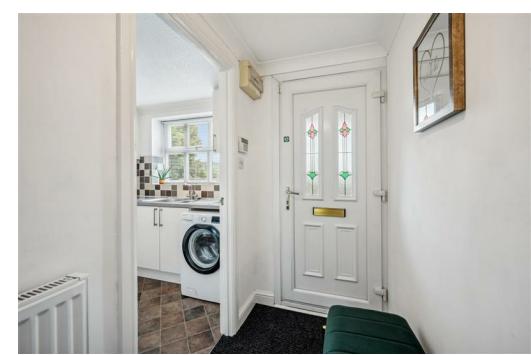

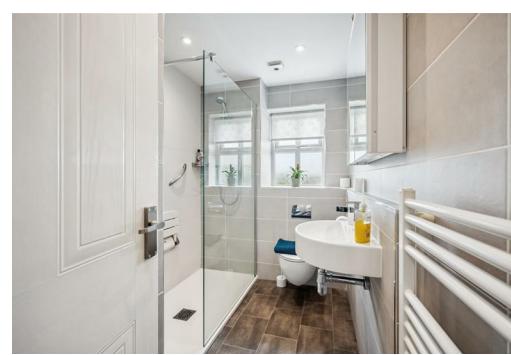

Bedroom Two

11'9" x 5'8" (3.6 x 1.75)

With great views across to Starkholmes and up to Riber Castle, this single bedroom is currently used as a dressing room. It could also be a home office or nursery. The room is carpeted and has a radiator, ceiling light fitting and loft hatch. The loft above is boarded and has lighting and a pull-down ladder.

Rear Garden

Stepping out from the lounge, the lower tier is a paved patio with room for an outdoor dining set and storage. Steps lead to the upper tier where there is a well-stocked flower bed on the left. There are timber picket fences on three sides and a decorative iron gate at the top of the garden in this pleasant sun trap at the rear of the home. It's an easy-maintenance garden but with scope for a keen gardener to make their mark too.
