Robert Ellis are pleased to bring to the market this traditional bay-fronted mid-terraced property, positioned within an established residential area and offering generously proportioned accommodation arranged over two floors.

The property would make an ideal purchase for a first-time buyer, investor or someone looking for a home with the opportunity to add their own finishing touches. Benefits include gas central heating, double glazing, two good-sized reception rooms, a useful cellar and an enclosed garden to the rear.

The accommodation is entered through a double-glazed front entrance door which opens into the lounge. This attractive room includes a bay window, decorative fireplace, ceiling rose, coving and laminate flooring. An inner lobby provides access to the staircase and leads into the separate dining room, which also features a decorative fireplace and has access to the cellar.

An archway from the dining room leads into the fitted kitchen, which includes a range of wall and base units, work surfaces, an integrated oven, gas hob and fridge freezer. There is also a separate utility room providing plumbing for a washing machine, space for a tumble dryer and housing for the gas central heating boiler.

To the first floor are two generously sized double bedrooms. The main bedroom overlooks the rear garden and includes a decorative fireplace, with a door providing access to the bathroom. The bathroom is fitted with a panelled bath with an electric shower over, WC and wash hand basin.

Outside, the property has a low-maintenance walled garden and pathway to the front. The enclosed rear garden includes a paved patio, lawned area, fenced and hedged boundaries and gated side access.
