We are delighted to bring to market this lovely end of terrace, three bedroomed family home, benefiting from an elevated position and most conveniently placed within walking distance of Redruth town centre. Thoroughly and thoughtfully renovated and restored to a high standard throughout by the current vendors, an early viewing is absolutely recommended to truly appreciate what is a very welcoming home. Lime mortar has been applied to both the external and internal walls to the front whilst the external rear wall has had the same application. Double glazed hard wood sash windows throughout along with Victorian style quarry tiles in the hallway and on into the kitchen/diner give both a welcoming look and feel. The opening up of the original fireplace in the lounge/living room at the front of this home has been complemented by the use of lime mortar within the surround. The double aspect kitchen/diner has been redesigned, introducing an open feel thanks to adhering to only base level units and drawers; it should be noted that said units are all hand built. Hard wood double glazed French doors open out onto the pleasant rear patio with a lawned garden beyond. Stairs to the first floor take a ninety degree left turn onto a reverse U-shaped landing where the vendors have refloored two out of the three bedrooms, along with the family bathroom which features stylish timber wainscoting. It has both a bath and the bonus of a large separate shower cubicle with a thermostatic shower. Externally, to the front there is a low maintenance concrete frontage with a rockery of stones and low growing plants. To the rear, the garden can be accessed from French doors in the kitchen/diner which open out onto the generous patio, behind which is a pleasant laid to lawn area. There is a mature border to the left side but with a lower fenced border to the right, this property's elevated position really does give a feeling of space within this garden which has been well maintained. To the rear of the garden, there is a summerhouse with both lighting and power along with a large shed which would make an ideal workshop or re-purposed to the new owner's requirements. Both garden buildings are accessed via sunken slabs through the lawn. Please note that the vendor has advised that the following are included in the sale; wood burner, Rangemaster gas cooker, fridge/freezer, integrated dishwasher and washing machine. In terms of location, the property is well placed for local schools and there is a Co-op convenience store within a few minutes walk. The centre of Redruth, which has a variety of retail shops, cafes, public houses and a cinema, can be

reached on foot within ten minutes or less as can the main line railway station in the town where there are also bus services to Truro, Falmouth and other destinations. Further afield, Portreath Beach can be accessed in around fifteen minutes as can Tehidy Country Park and Tehidy Park Golf Club. The main A30 trunk road is just over one mile distant. There are also many other local towns and beaches which are conveniently accessible
