Mount Skippett
Ramsden Chipping Norton

Property Description

A rare and exciting opportunity to acquire a substantial detached bungalow occupying a plot of over half an acre in the highly sought-after Mount Skippett area of Chipping Norton. Offered to the market for the first time since the mid-1950s, this cherished home presents an exceptional chance for purchasers looking to modernise, extend or explore the significant development potential on offer, subject to the necessary planning permissions (STPP).

The accommodation extends to approximately 1,367 sq ft and comprises a welcoming entrance hall, an impressive 26ft dual-aspect sitting/dining room, kitchen, three bedrooms and a family bathroom. The layout offers excellent versatility for a range of buyers, with the generously proportioned reception space providing the perfect hub for family life and entertaining. A detached garage further complements the existing accommodation and offers additional practicality.

Externally, the property truly comes into its own. Sitting within grounds extending to over half an acre, the established plot provides an abundance of outdoor space rarely found within such a desirable residential setting. The size and position of the grounds create exciting possibilities for enhancement, redevelopment or further residential development, subject to obtaining the relevant planning consents. Opportunities of this nature, particularly in such a sought-after location, are becoming increasingly scarce.
