Overview

As you step inside, you are greeted by a spacious layout designed for easy living.

The heart of the home is the inviting lounge diner, which benefits from a beautiful bay window that fills the space with natural light and offers a lovely spot to relax and entertain. This open-plan area provides flexible living and dining options, ideal for everyday enjoyment or hosting guests.

The first bedroom, a generously sized double, enjoys a peaceful view overlooking the rear garden, making it a serene retreat. Bedroom 2 is a single bedroom and currently used as a home office.

The kitchen, positioned at the front of the bungalow, boasts garden views that add a touch of serenity to your daily routine. It's a functional space where you can prepare meals while admiring the outdoor greenery, creating a pleasant atmosphere even while you're busy cooking or cleaning up.

Outside, the front and rear gardens have been lovingly tended to over the years, featuring mature plants, trees, and flower beds that enhance the property's curb appeal and provide a private oasis for outdoor activities or peaceful moments. Also situated at the front, is a single garage and a double length driveway, offering both parking and storage.
