Step into The Rosary via a welcoming entrance hall, setting the tone for this charming and versatile home. To the right, you'll find a cosy living room complete with a woodburning fire, perfect for relaxing on colder winter evenings.

Returning to the hall and moving to the rear, the property opens up into an impressive open-plan kitchen diner. This sociable space is ideal for entertaining, offering ample dining space alongside a well-equipped kitchen fitted with a range of wall and base units, complementary work surfaces and upstands. Integrated appliances include an induction hob and oven, with additional space for a dishwasher and an American-style fridge freezer. A breakfast bar further enhances the functionality of this space.

The kitchen flows seamlessly into a stunning garden room, an outstanding addition filled with natural light, thanks to a feature skylight lantern and double aspect bi-fold doors. From here, you can enjoy uninterrupted views over the gardens and surrounding rolling countryside.

Leading off the kitchen via an inner hallway is a downstairs shower room, fitted with a shower cubicle, pedestal wash basin and low-level WC. Adjacent is a generously sized double bedroom with its own access and nearby bathroom facilities, making it ideal for guests, relatives or multi-generational living.

Back through the kitchen diner, a step up to the left leads to a useful rear porch and laundry room, which in turn connects to a further utility space, perfect for additional storage and fitted with wall and base units with worktops for added practicality.

To the first floor, there are three well-proportioned double bedrooms. Bedroom one enjoys a front aspect and features charming cottage-style details along with built-in storage. Bedroom three is another spacious double, benefitting from full-length windows that frame picturesque countryside views. Bedroom four, also positioned to the rear, enjoys similarly attractive outlooks. The house bathroom is fitted with a panelled P-shaped bath with shower over, a low-level WC and a wall-hung wash basin.

Externally, the property is equally impressive. The generous lawned garden is beautifully established, with well-stocked planted borders that create a sense of privacy and tranquility. Backing directly onto open countryside, the setting enjoys far-reaching views across gently undulating rolling hills, offering an ever-changing backdrop throughout the seasons. A decking area extends seamlessly from the garden room, providing an ideal space for outdoor dining and entertaining while making the most of the stunning rural outlook.

To the side of the property, there is ample off-road parking, including a double carport with EV charger, a double garage and an attached workshop. In addition, a range of stores and shed outbuildings present exciting potential for conversion into a home office, studio or annex, subject to the necessary consents.

Combining generous living space, a stunning rural setting and excellent future potential, The Rosary represents a superb opportunity to acquire a well-balanced family home in a highly desirable location.
