PROPERTY DESCRIPTION

A truly unique home showcasing individuality at its finest, this beautifully presented end-of-terrace property has been thoughtfully updated and stylishly reimagined to create a standout residence in the ever-popular Eastney Village, just a short stroll from the seafront and promenade. Situated on Kassassin Street, the property immediately captures attention with its striking external frontage, setting the tone for what lies within. At the heart of the home is an exceptional open-plan living space, designed to maximise light, space, and flow. This bright and airy area seamlessly combines a comfortable lounge, defined dining space, and a beautifully handcrafted, contemporary kitchen. The room is further enhanced by a Velux window and double doors that open out onto the garden, creating a wonderful connection between indoor and outdoor living. Just off the kitchen, there is a modern fitted shower room incorporating a practical utility area. Externally, the rear garden is a charming and well-established space, featuring mature borders and a raised decking area—perfect for relaxing or entertaining—whilst enjoying a unique outlook towards the iconic barracks clock tower. Upstairs, the first floor offers a spacious landing leading to two individually styled bedrooms. Bedroom two is cleverly separated by sliding doors, creating a versatile and characterful space, while an obscured window offers a further glimpse of the clock tower. The generous principal bedroom benefits from an array of built-in wardrobes, providing excellent storage. A home of this calibre and individuality must be seen internally to be fully appreciated.
