Entrance Hall

Accessed via a composite front door, the entrance hall provides a bright and welcoming introduction to the home. The neutral décor is complemented by practical tiled flooring, while recessed spotlights provide a clean, modern finish. An electric wall heater keeps the space comfortable, and a built-in cloaks cupboard provides useful storage for coats, shoes and everyday essentials.

Lounge Diner

A spacious and versatile lounge diner finished in neutral tones with a feature wall adding a little character to the room. Tiled flooring runs throughout, creating a practical and easy-to-maintain space. A UPVC window provides natural light, while the UPVC sliding patio doors open directly onto the rear garden, making this a particularly useful space for both everyday family life and entertaining. Two electric wall heaters provide warmth and comfort.

Kitchen Diner

The kitchen diner is fitted with a range of white high-gloss wall and base units, complemented by wood-effect worktops and a stainless steel sink with mixer tap. Integrated appliances include a gas hob, double electric oven with stainless steel extractor above, washing machine and dishwasher. Two UPVC windows bring plenty of natural light into the room, while the tiled flooring provides a practical finish. A radiator completes the space, which offers a comfortable and functional setting for both cooking and dining.

Living Room

A versatile room that could be used as a dedicated TV room, home office or additional reception space. Neutrally decorated with a feature wall, the room has tiled flooring and a radiator. A

UPVC window and adjoining glazed door form a generous glazed frontage, allowing plenty of natural light into the room while providing direct access to the rear garden.

Ground Floor WC

Located off the rear hall, where the stairs lead to the first floor, this convenient ground floor WC is neutrally decorated with tiled flooring. It is fitted with a WC and pedestal wash hand basin with stainless steel taps.

First Floor Landing

A bright and welcoming landing with carpet flooring, providing access to two bedrooms and the staircase rising to the second floor. Double doors open directly into the living room, creating a spacious and open feel between the landing and reception area.

Bedroom

A spacious and versatile room, neutrally decorated with a feature wall and carpet flooring. Two radiators provide warmth, while French doors open onto a Juliet-style glazed balcony, allowing the room to benefit from the outlook beyond. The elevated position provides views over King George Road towards Temple Park. With its generous proportions, this room could also offer flexibility for use as an additional living room, if required.

Bedroom

A spacious front-aspect double bedroom with neutral décor and carpet flooring. The UPVC window allows plenty of natural light into the room, while a radiator provides warmth. The generous proportions provide ample space for bedroom furniture and lead through to a dedicated dressing area.

Wardrobes/Dressing Area

Fitted with mirrored sliding-door wardrobes to both sides, this area provides excellent storage while also creating a practical space for dressing. The dressing area continues through to:

En Suite

A spacious en-suite bathroom finished in neutral tones with part-tiled walls and vinyl flooring. The suite comprises a panelled bath with stainless steel taps, a separate shower cubicle with mains-fed shower, WC and pedestal wash hand basin with stainless steel taps. A UPVC window provides natural light and ventilation.

Bedroom

A well-presented rear-aspect single bedroom with neutral décor and carpet flooring. The UPVC window provides natural light, while a radiator ensures the room remains comfortable throughout the year.

Second Floor Landing

The second-floor landing has carpet flooring and provides access to two further double bedrooms and the family bathroom. A built-in storage cupboard provides useful additional storage.

Bedroom

A well-proportioned front-aspect double bedroom with neutral décor and carpet flooring. The UPVC window allows natural light into the room, with a radiator providing warmth. The bedroom also benefits from access to an en-suite.
