THE PROPERTY

The property provides spacious and versatile accommodation and is situated within a popular area of the village of Broadmayne, offering convenient access to local amenities.

The property is entered via a welcoming entrance hall with staircase rising to the first-floor landing, with doors leading to the principal reception room, two ground floor bedrooms and the modern shower room. The sitting room is a bright and inviting space with parquet flooring and an inset wood burner set on a stone hearth, creating an attractive focal point.

The kitchen is well-appointed with a range of wall and base units complemented by work surfaces, incorporating a stainless steel sink, a five-ring Smeg gas hob, a built-in fan oven, and a microwave, along with an integrated dishwasher. French doors open onto a decked seating area, while a side door provides access to the garage, utility area, and garden. The utility area offers space for a washing machine, tumble dryer, and fridge freezer.

Also on the ground floor is the principal bedroom, a well-proportioned double room with a rear aspect window enjoying pleasant countryside views and built-in wardrobes. A further room on this level is currently arranged as a study but offers flexibility as a fourth bedroom, benefiting from front and side aspect windows and built-in wardrobes.

The first-floor landing is currently used as a study area and provides access to useful eaves storage, as well as doors leading to

two further bedrooms and a shower room. Both bedrooms enjoy rear-aspect windows with elevated countryside views. One is arranged as a single bedroom, while the other is a comfortable double. The shower room is fitted with a corner shower cubicle, pedestal wash hand basin, and low-level WC.

OUTSIDE

The property benefits from a single garage with an up and over door. To the rear of the garage there are fitted base units with an inset stainless steel sink, creating a useful utility area with additional space for appliances.

To the front of the property the garden is laid to lawn with brick laid off-road parking leading to the garage and main entrance. The garden is bordered by mature shrubs, planting and a well-maintained hedge, with side access leading to the rear garden.

The rear garden is predominantly laid to lawn with planted borders and is enclosed by fencing and hedging, providing a good degree of privacy.
