A two-bedroom, traditional, second-floor flat in great condition.

Property Description

This traditional flat in the Springburn area of Glasgow offers excellent accommodation all on one level and is in a great location.

The accommodation on offer includes a security door entry system, with stairs to all apartments. Taking the stairs to the second floor, you will enter the property into a bright and airy hallway. The lounge can be found at the front of the property with a dual window formation, giving lots of natural light with space for dining. From the hall to the front of the property are the two double bedrooms, with the master having built-in storage. The kitchen sits just off the hall and features a range of floor and wall-mounted storage units and contrasting worktops. Finishing the accommodation is the family bathroom with a three-piece suite and a shower over a bath.

The property further benefits from electric wall-mounted heating, double-glazing, a single integrated garage and communal garden grounds to the rear of the property.

Springburn itself provides an array of local amenities. Including Springburn Park on your doorstep, popular with joggers and dog walkers. There are also supermarkets, shops, bars, restaurants, and transport links in close proximity to the property. There is also a regular bus and rail route giving access to the Glasgow City Centre.

The M80 and M8 networks are also nearby, leading to surrounding locations such as Loch Lomond and Glasgow International Airport.
