An immaculately presented five bedroom Victorian family home that has been thoughtfully extended and sympathetically modernised, combining period charm with contemporary living.

The ground floor offers two reception rooms with original fireplaces, including a working wood burner in the main living room and a restored gas fireplace in the second reception room, plus a guest cloakroom with motion-sensor lighting. The kitchen was fully renovated four years ago and features Bosch integrated appliances, electric Velux windows with blinds, air conditioning and a recently installed boiler. The rear garden benefits from external lighting with dimmer controls, as well as power and water points, with the rear elevation and garden wall repainted and gutters cleaned. The first floor comprises three bedrooms, all with air conditioning, including a principal bedroom with built-in wardrobes suitable for a super king bed. The office/guest room has a hard-wired internet connection and space for a double bed. The loft suite provides further generous accommodation with air conditioning, a super king bedroom area, en-suite and hard-wired internet, ideal as a principal or guest suite.
