Marketed by Wilkie May & Tuckwood, this stunning brand new home is set within the beautifully designed Jurston Fields development on the outskirts of the south side of Wellington at the edge of the Blackdown Hills, an Area of Outstanding Natural Beauty. Consisting of two, three, four and five bedroom homes built by C G Fry & Son, an award winning family run company, who are passionate about every aspect of the design and build with high specification as standard. The site is ideally placed to enjoy a range of local amenities, countryside pursuits and good transport links to Exeter, Bristol and beyond. Viewings by appointment only. To arrange to view one of the three or four bedroom show homes, please telephone Wilkie May & Tuckwood, Wellington.

Benefiting from a 10 year NHBC warranty, the property will be finished to a high standard with a range of integrated kitchen appliances including electric oven, gas hob, fridge/freezer, washing machine and dishwasher alongside 'Porcelanosa' tiled kitchen and bathroom walls and turfed garden.

Plot 2.101 is a superb 3 bedroom end of terrace house set over two floors with a garage and a parking space. The accommodation comprises a sitting/dining room, kitchen and cloakroom. To the first floor there are 3 good size bedrooms with a master en-suite and family bathroom.

Please note; the artist's impression, photos and floor plans are included for guidance only. All imagery has been provided by CG Fry & Son. Internal photography is representative of the show homes.
