£850,000.

Situated in a tucked away location along a private lane. The property is located towards the very end of the lane and offers fabulous family accommodation with a wonderful, landscaped garden and double garage. The property has a magnificent kitchen/family room/dining room at its heart with multi-fold opening doors leading out onto the terrace. The ground floor also has a large drawing room with Inglenook fireplace, study, cloakroom, and there is also access to a utility room. The first floor landing gives access to four bedrooms with the main bedroom having a dressing room and full en-suite. All the bedrooms are double rooms and three having fitted wardrobes. There is also a family bathroom. To the outside, the drive provides plenty of parking and this leads to the double garage with a workshop area to its rear and the magnificent garden has been extensively landscaped with hard and soft landscaping and has a particularly secluded outlook with a westerly aspect.

Outside

The property is approached via a drive providing off the road parking for several vehicles and this in turn leads to:

Double Garage

Of brick construction with a pitched and tiled roof, twin up and over doors, power and light. At the rear of the garage is a separate workshop area with a double glazed window and a door leading to the walkway.

Front Garden

Adjacent the property and to the far side of the drive are several well stocked flower beds.

Landscaped Garden

The good sized rear garden has recently been the subject of a full and extensive makeover with hard and soft landscaping and comprising: Full width patio with large flagstone style tiles adjacent the property which leads to an area of lawn with a stepping stone path at the centre and flower and shrub borders to the edge. At this point there are four steps that lead down to an area of hard landscaping that consists of a tiered white shingle seating/planting area with a rendered retaining wall and raised flower beds to the edge. To one side of this area is a further shingled area that has vegetable planting at its heart with three raised beds and a fine aluminium and cedar constructed greenhouse. The landscaping to the garden is completed by the perimeter fencing with a combination of close boarded timber garden fencing and modern trellis style fencing. Several young trees have been interspersed to enhance the outlook and privacy to this wonderful garden. The backdrop is a small area of open ground with a wooded Copse beyond that enhances the whole garden's peace and solitude.
