Paved sitting area

As depicted.

Integral Garage

Integral garage/storage with roller shutter access door off front driveway. Power and light and door to property internally.

Detached Garage

Detached garage/workshop to rear of property and adjacent to rear garden

Agents Opinion

This beautifully designed and presented detached property certainly has the 'WOW' factor. The current owners have meticulously re-designed and completely re-built the previous dwelling over the time they have spent here. The property offers very spacious and family-centric accommodation over 2 floors and has the added benefit of having the attached 1 double bed annexe; ideal for multi-generational living or as an Air-BnB income generator if desired. Together with ample driveway parking, generously proportioned rear gardens and terraces, and it's enviable and ideal location, this is one property that has to be viewed internally to be fully appreciated.

Energy Efficiency Rating

	Current	Potential
<i>Very energy efficient - lower running costs</i> (92+) A (81-91) B (69-80) C (55-68) D (39-54) E (21-38) F (1-20) G <i>Not energy efficient - higher running costs</i>		
England, Scotland & Wales	EU Directive 2002/91/EC	

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
